PRO-PATH INDUSTRIAL CO., LTD. is a TÜV ISO 9001-2008 certified company which was founded in 1995. We specialized in a variety of screws, especially for self drilling screws, window screws, roofing screws, security screws, drywall screws, tapping screws, and concrete screws..

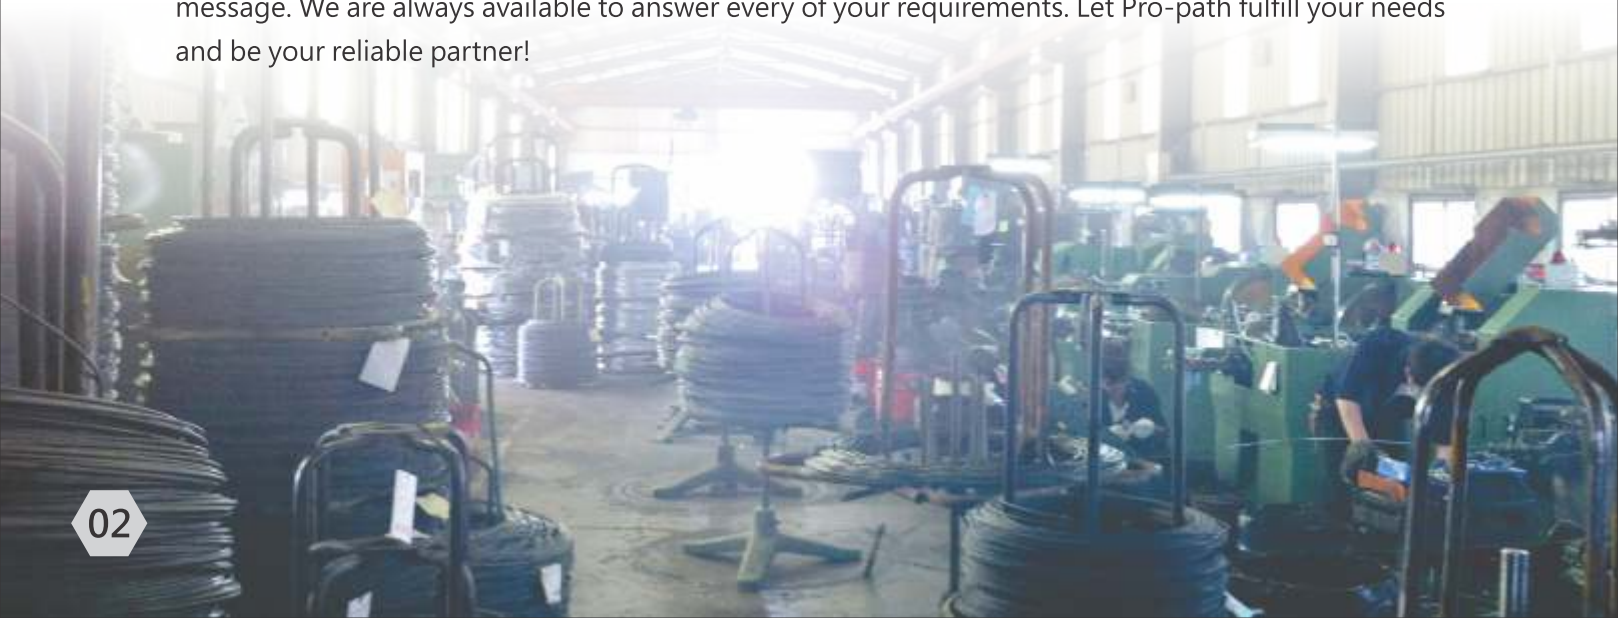

Our group is professional and well experienced with any aspects of production, packing and delivery. We controlled every step for the whole production process. Since we concern about our client, we can face and overcome all of your problems anyhow. We always keep nice business relationship and well communication with our customers. Moreover, one thing has remained in all the years that we assure you the good quality, good service and competitive price. Therefore, Pro-path equals to remarkable fasteners expert and manufacturer.

PRICE: We had our own Quota of Raw Material purchased from CSC(China Steel Company in Taiwan) and experienced professional master worker to less the cost and time of production, so we always offered a competitive price to our customers.

QUALITY: We had set up a QC Department to detailed control from wire on Tensile Strength to Dimensions of Heading, Pointing, and Threading, then after Heat-Treatment, we tested the mechanical property including Surface, Core hardness, Drilling test, Torque strength, and Case Depth, and then after Finish, we will check the thickness of plating which over 3 micro(CR6+) and RoHAs compliant for CR3+ and without CHROMATE. Also, we will test the Salt Spray test for Ruspert and Dacromate Coating, especially, we did final inspection to every shipment before packing.

PACKING: We can offer bulk, box, plastic bag packing with Designed and Colored box, label and barcode, fulfilled EURO or US pallet sizes, complianted the Fumigation and EUR-EPAL or CE requirement. However, most of important, we' ll be responsible for every details or discrepancy once it happened to our faulty. In addition, if you have any needs regarding to fasteners, welcome to leave us a message. We are always available to answer every of your requirements. Let Pro-path fulfill your needs and be your reliable partner!

Pro-path wurde am 1995 gegründet. Unser Unternehmen wurde von TÜV 9000-2008 zertifiziert. Wir sind im Bereich der Schrauben tätig und spezialisieren uns im Schrauben aller Art. z.B. Bohrschrauben, Beschlagschrauben, Fassadenbauschrauben, Beschlagschrauben, Sicherheitschrauben, Blechschrauben, Beton Schrauben und Edelstahl Schrauben.

Unser Unternehmen haben vorzügliche Erfahrung auf Produkt, Packung, Lieferung und so weiter. Wir haben vorsichtige Produktionsgang und gutes Service. Auf Service erhalten wir immer guter Kontakt mit unserem Kunden. Außerdem wir garantieren für gute Qualität, bestes Service und konkurrenzfähiges Preis. Deshalb können PRO-PATH ein spezielle Firma anreden.

PREIS: Wir haben nicht nur unsere grundlegenden Menge des Rohmaterial, die wir von CSC (Chain Steel Company in Taiwan) gekauft sind, sondern auch Spezialist, der gute Erfahrung in diesem Gebiet hat. Aus diesem Gründe können wir die Kosten und Zeite der produktion sparen. Deshalb können wir immer am bestest Preis für unsere Kunden liefern.

QUALITÄT: Wir errichten eine Abteilung, die Qualität kontrollieren. Diese Abteilung prüfen alle Tests. Zum erste wir prüfen der Draht auf die Zugfestigkeit und die Größe an Kopf, Schlitz und Gewinde. Nachdem Wärmebehandlung, prüfen wir mechanische Eigenschaft, die enthält Oberfläche, Mitte Härtegrad, Bohr-Test und Drehmoment Stärke. Danach prüfen wir die Dicke des galvanischer Überzug, die über 3 Mikro CR6+ und RpHAs Test stimmen in CR3+ überein und ohne CHROMATE. Sowie prüfen wir Salt Sparz Test für Ruspert und Dacromate Überzug. Am letzten, untersuchen wir alle Lieferung bevor Packung.

Packung : Wir haben viele Art auf die Packung, z.B. lose gepackt, Schachtel gepackt oder Plastbeutel gepackt mit Packstück, Etikett, Strichcode und so weiter. Die Palette stimmen in eurasischer oder amerikanischer Typ überein. Außerdem wir will alle Partie kontrollieren. Zum letzten, Zögern Sie bitte nicht uns eine E-mail zu schicken, wenn Sie weitere Fragen haben. Wir tun immer, was in unseren Kräften steht. Lassen Sie uns Ihnen helfen! Wie hoffen, dass wir Ihnen kooperative Partner sind können.
